Moscow City University
Moscow, www.mgpu.ru/

Extra-Curricular Activity, Social Work and Youth Policy Department specialist

My primary duty was to support students in their social responsibility and public interest projects as well as other student initiatives. Other duties included
- Student event management. Responsible for interuniversity mass events organization, including public and social interest events;
- Collaborating with student organizations on youth policy and joint events management;
- Collaborating with university academic structural subdivision parties responsible for youth policy. Collaborating with other university subdivisions and departments;
- The department webpage and social network groups content management;
- Carrying out department head's and vice rector's direct miscellaneous assignments: participated in interuniversity conferences, developed the university regulatory act on student scholarship, translated open-source social network interface for administrative utilization etc.

Skills gained:

- Time management skills through successful juggling deadlines and tasks;
- Teamwork through organizing mass events in a team of students and co-workers;
- Communication skills through consistent collaboration with people of different backgrounds;
- Networking skills: developed and maintained a network for advice, information, and collaboration.
